

Wilson Classical High School & Bruins Touchdown Club

# Chili COOK-OFF

## Saturday, October 16, 2010

### MISSION

All money received from this event goes to fund all aspects of the Wilson Bruins Football Program and is organized by the non-Profit organization: Wilson Bruins Touchdown Club. Budget cuts and unfortunate events have made fundraising particularly difficult this year. In an effort to increase confidence in Wilson High School and programs that enhance students' character and development, we have facilitated this event to involve the community and its families and business' in the Wilson experience and encourage your support for Homecoming Events this year and for many years to come. This event was organized in partnership with ASB. Please check out their Car Show.
