

Dear Friends of Long Beach Wilson Football,

_____ is a member of our **Wilson Bruins Football Team** and together, we would like to ask for your help to meet our team's financial goals. The 2010 season is already off to a great start. These young men with their hard work at spring training, the upcoming summer camp and "two-a-day" practices, have prepared themselves mentally, emotionally and physically for the coming season. They are ready! With a program that totals over 130 players, it is important that we have the continued support from our Bruin parents and community.

The Long Beach Unified School District budget deficit has forced severe cutbacks with all programs, including high school team sports. In order to provide a safe instructional environment for all athletes, it is necessary for our football program to raise \$90,000 this year. All money raised goes directly back into the program and is used to purchase as well as maintain current football and weight-room equipment, player's uniforms, safety items, and many other general supplies needed to successfully operate our program. It is with the continued support from our Bruin families and community that we are able to provide a safe and high quality program for our athletes.

The 501(c3) non-profit organization that supports our program is the Wilson Bruins Touchdown Club. All donations made are tax deductible. **Our tax ID# is 13-4237880.**

Your contribution is essential to our success and every little bit helps. Thank you for supporting our 2010 season and the Wilson Bruins Football Program!

Sincerely,

Mario Morales
